THIS IS MOVING FOR OLDER ADULTS

See the difference when you choose Bekins for your move

Relocating is different when you're an older adult than it was when you were 25. Now, you have a lifetime's worth of memories collected and the prized possessions to prove it. Relinquishing those concrete reminders of time gone by to a moving crew can be hassle-free-if you choose the right mover.

From quality packing and loading services to the best drivers in the industry, our outstanding Bekins interstate agents across the country have your relocation covered

When you choose a Bekins Silver Certified company you know you'll be dealing with an expert in moving older adults.

Are you an older adult planning to relocate? Look for the Silver Certified logo.

When you see it, you can rest easy, knowing that your mover's owner, salespeople, drivers and crew members have all completed specialized training to work with older adults.

SILVER CERTIFIED:

Moving Made Easy for Older Adults

We understand moving is tough no matter your age—we also understand there are certain requirements involved when you're an older adult relocating. Our agency is Silver Certified, which means our organization has completed training to better understand the needs of older adults and the unique challenges they encounter during a move.

WHAT IS SILVER CERTIFICATION?

Silver Certification is a comprehensive program that educates movers on the unique challenges older adults face when moving. It was created by Bekins corporate office in conjunction with the National Association of Senior Move Managers and Erickson Senior Living. The program goes beyond training for the salesperson. It contains individual training courses for the driver, crew leader, customer service/coordinator, and the general manager/owner. This holistic approach is designed to engage the entire organization. The program not only discusses best practices when moving furniture, but educates on topics such as agism, rightsizing and family dynamics.

HOW DO I KNOW IF MY MOVER IS SILVER CERTIFIED?

Silver Certification is only available to agents of Wheaton World Wide Moving and Bekins Van Lines. Even then – not all agents have put in the work to become Silver Certified. Look for the Silver Certified emblem that confirms your mover knows you.
